

Jan Bettink – President of the Association of German Pfandbrief Banks

Jan Bettink is President of the Association of German Pfandbrief Banks (vdp) since June 2010.

Jan Bettink, 55, has 36 years' banking experience in the loan, construction financing and business customer spheres. His work has for a long time been related to the real estate business, taking him through various positions at well-known banks, including on the investors' side. Amongst other things, he was for many years shareholder-director of the FAY Group. Jan Bettink, who is now Chairman of the Board of Management of Berlin Hyp, one of the leading real estate finance providers in Germany and part of the Landesbank Berlin AG Group, represents a constant, healthy growth course. Under his leadership, the Bank has for years been financing successful investor projects at economically powerful locations in Germany and in selected other European markets, but also acts as a reliable partner on the capital market.
